SCREENSHOTS OF IMPLEMENTATION

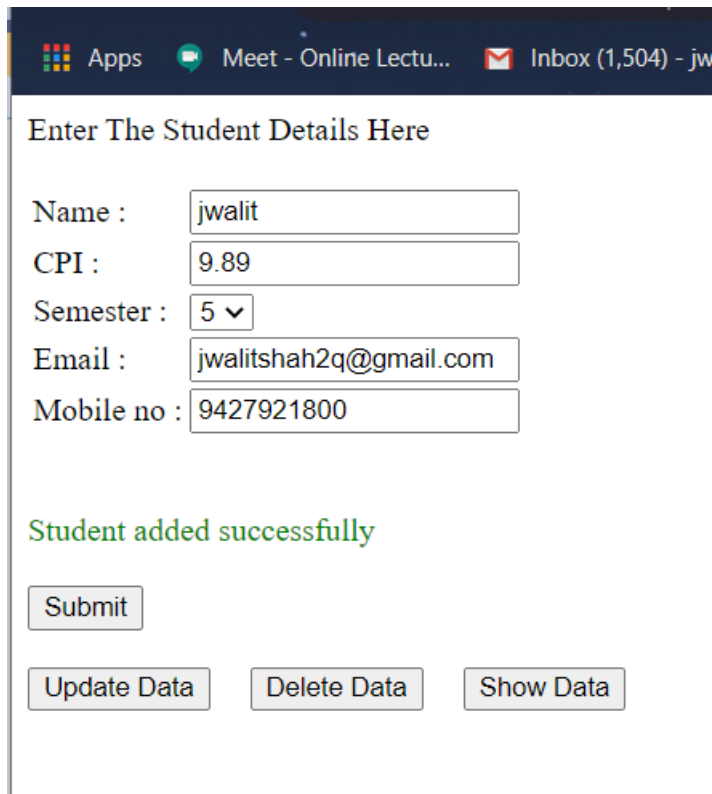

TASK 4:

I've Dynamically added Update, Delete, Select ButtonField in each row of the GridView in Show.aspx.

Where all ButtonField will fire the event, and according to the command associated with the ButtonFiled it does the required task.

And Code is Given in Show.aspx & Show.aspx.cs file.

1). Insert.aspx page for student data insertion

The screenshot shows a web application interface with a dark blue header bar containing icons and text for 'Apps', 'Meet - Online Lectu...', and 'Inbox (1,504) - jw...'. Below the header, the page title is 'Enter The Student Details Here'. The form contains five input fields: 'Name : jwalit', 'CPI : 9.89', 'Semester : 5' (with a dropdown arrow), 'Email : jwalitshah2q@gmail.com', and 'Mobile no : 9427921800'. Below the form, there is a green message 'Student added successfully'. At the bottom, there are four buttons: 'Submit', 'Update Data', 'Delete Data', and 'Show Data'.

Enter The Student Details Here

Name :

CPI :

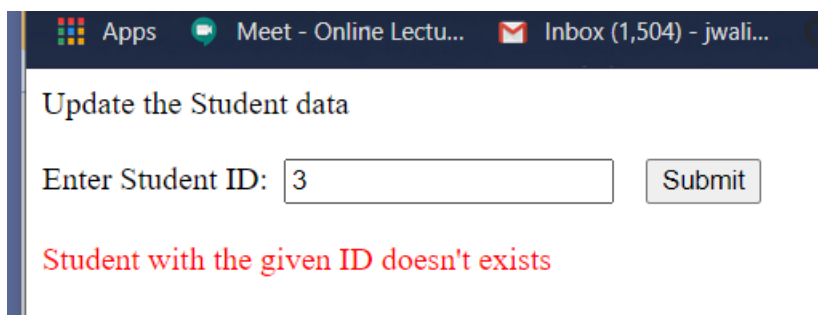

Semester :

Email :

Mobile no :

Student added successfully

2). Error in Update.aspx page while entering wrong student Id.

The screenshot shows a web application interface with a dark blue header bar containing icons and text for 'Apps', 'Meet - Online Lectu...', and 'Inbox (1,504) - jwali...'. Below the header, the page title is 'Update the Student data'. The form contains one input field labeled 'Enter Student ID:' with the value '3' and a 'Submit' button. Below the form, there is a red message 'Student with the given ID doesn't exists'.

Update the Student data

Enter Student ID:

Student with the given ID doesn't exists

3). Success in updating of student data

Apps

Meet - Online Lectu...

Inbox (1,504) - jwali...

Update the Student data

Enter Student ID:

Student found

Student ID: 7

Name :

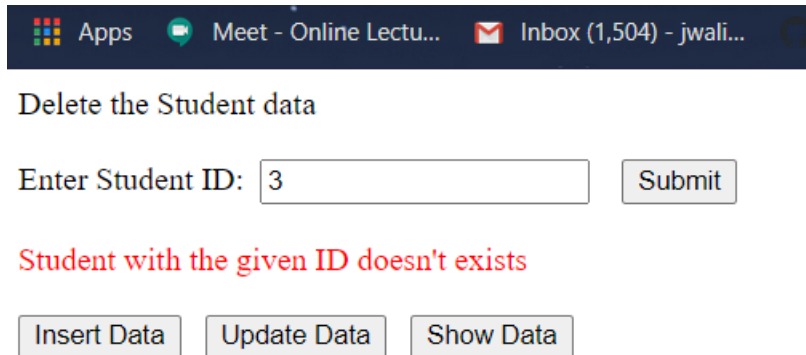

CPI :

Semester :

Email :

Mobile no :

4). Error in Delete.aspx page after entering wrong Student Id.

The screenshot shows a web application interface. At the top, there is a dark blue header bar with icons and text for 'Apps', 'Meet - Online Lectu...', and 'Inbox (1,504) - jwali...'. Below the header, the text 'Delete the Student data' is displayed. Underneath, there is a form with the label 'Enter Student ID:' followed by a text input field containing the number '3' and a 'Submit' button. Below the form, a red error message states 'Student with the given ID doesn't exists'. At the bottom, there are three buttons: 'Insert Data', 'Update Data', and 'Show Data'.

Apps Meet - Online Lectu... Inbox (1,504) - jwali...

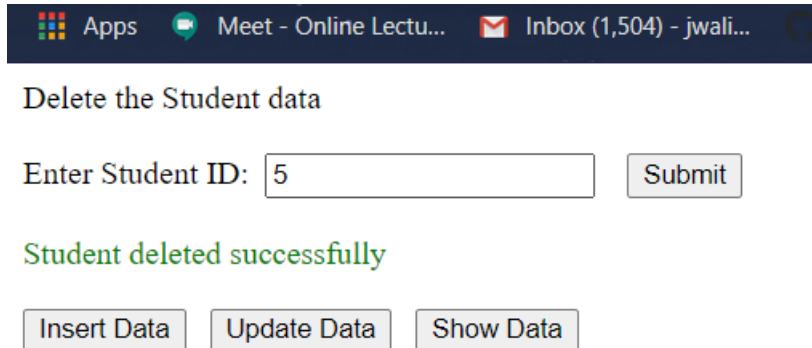

Delete the Student data

Enter Student ID: 3 Submit

Student with the given ID doesn't exists

Insert Data Update Data Show Data

5). Success after Deletion of record

The screenshot shows the same web application interface as before. The header bar is identical. Below the header, the text 'Delete the Student data' is displayed. Underneath, there is a form with the label 'Enter Student ID:' followed by a text input field containing the number '5' and a 'Submit' button. Below the form, a green success message states 'Student deleted successfully'. At the bottom, there are three buttons: 'Insert Data', 'Update Data', and 'Show Data'.

Apps Meet - Online Lectu... Inbox (1,504) - jwali...
